

Edwards EST4 Launch Event For EST3 Sites

18th April 2023

11th May 2023

6th June 2023

3rd August 2023

Calling all site managers with Edwards EST3 Life Safety Systems The long-anticipated launch of the new Edwards EST4 in the UK is almost here.

We are holding seminars for all existing EST3 clients to introduce and demonstrate the new EST4 panel / system which now has European approvals and is being launched in July 2023. The seminar will focus on the steps involved in migration from EST3 to EST4 as well as the benefits of the new system. This is a MUST for all existing EST3 clients

The event will take place at Carrier (Edwards UK) based in Milton Keynes. Trains run from London Euston to Milton Keynes Central regularly and take just over half an hour. We will pick you up from Milton Keynes Central station and drop you back again (or parking can be arranged). We will be running a morning and afternoon session each day and lunch / refreshments will be provided
